

## Wireless Networks Overview

Partnering with the leading software & hardware providers, J Brand has become the 'go-to' partner for wireless surveys and installations throughout Europe. Our many surveyors have the further benefit of understanding the cabling and infrastructure requirements, which is a critical part of any survey. Put simply, if we survey, your wireless network and associated installation will meet your requirements and be installed to the prevailing standards.

| MY SERVICE   | MY DELIVERY  |
|--|--|
| <ul style="list-style-type: none"> <li>• Wireless RF Surveys on either the 2.4GHz or 5GHz band using AirMagnet or Ekahau</li> <li>• Coverage checks on existing wireless networks to determine areas of poor coverage</li> <li>• Spectrum Analysis and configuration checking to investigate Wi-Fi issues</li> <li>• Full installation services:-               <ul style="list-style-type: none"> <li>• Copper cabling</li> <li>• Fibre cabling</li> <li>• Communications cabinets</li> <li>• Electrical installation</li> <li>• AP mounting</li> </ul> </li> <li>• Vehicle Mount Services:-               <ul style="list-style-type: none"> <li>• Design &amp; Consult</li> <li>• Truck mount</li> <li>• Forklift Mount</li> <li>• Bespoke Bracket Design</li> </ul> </li> <li>• Hardware staging &amp; commissioning</li> <li>• Post installation coverage checks &amp; System maintenance packages</li> <li>• Experience in diverse environments:-               <ul style="list-style-type: none"> <li>• Transport &amp; Logistics</li> <li>• Manufacturing</li> <li>• Education</li> <li>• Hospitality</li> <li>• Retail</li> </ul> </li> </ul> | <ul style="list-style-type: none"> <li>• Privately owned, with Shareholders and Directors in place for over 40 years</li> <li>• Single point of contact dedicated to the 'My Customer, My Responsibility' Ethos</li> <li>• Tailor works to meet customers' requirements</li> <li>• Extensive experience of setting out a scope of works, and planning projects</li> <li>• True UK Nationwide Coverage &amp; Capability, with European experience</li> <li>• 120 directly employed staff &amp; operatives with the right to work in the UK &amp; DBS checked</li> <li>• Minimum training for operatives – ECS (CSCS) card, IPAF, Working at Height &amp; Asbestos Awareness</li> <li>• All employees have company mobile phones, tablet or lap-tops and access to portal for project files</li> <li>• All employees have access to a real-time Health &amp; Safety Portal and electronic sign off system</li> <li>• Over 60 vans, none more than 30 months old, all fitted with satellite tracking</li> <li>• HQ in W1 London with a bespoke 26,000 Sq.
